Foreword

The purpose of this publication is to summarize for you the events of your school life and to bring back fond memories of your classes, friends, and teachers. We hope that in years to come this book will become as invaluable to you as your memories of Harvey High itself.

ANNOUNCEMENT

As a welcome to the new principal, Mr. Herbert W. McKelvey, we wish to dedicate this, our year book for 1941. In expressing our appreciation for his help and guidance in our senior year, we believe we are expressing the feeling that those who follow us will wish to convey. It is his interest in each student, and his determination to see the school as a whole advance, that will make possible many successful years in Harvey High.

BOARD OF EDUCATION

Seated: Mrs. Annie Tisdell, Mr. J. C. Hobbs, Mrs. Louise Windecker, vice-president.
 Standing: Mr. C. C. Pierce, superintendent; Mr. O. H. Harer, president; Mr. H. U. Daniels, Mr. G. E. Esch, clerk.

This year Mr. Otto H. Harer was elected president of the Painesville Board of Education, replacing Mr. J. C. Hobbs who had served in that capacity since 1937. The policy of this board has been to administer school funds in the most economical and efficient manner.

Helping Us War Against Illiteracy

His Leadership Makes For Efficiency

After serving 13 years as superintendent of Painesville city schools, Clyde C. Pierce is still filling his office capably. Except for one brief illness he has always been on the job.

True friends and counselors to students of Harvey High are the faculty members. They represent a wide variety of personalities and interests, and are constantly working to help each student find his interest in life. Harvey's faculty has always been genuinely interested in the school and its form of student government. The basis for democratic citizenship in the future is being truly inspired in Harvey by its able faculty.

ACTIVITIES

Finding Companionship . . .

"All work and no play" gives one gray hair before his day. That is one reason for the activities which are to follow. These activities are not compulsory but those of you who did not feel the urge will probably remain forever in your old blue serge . . .

A play—I presume . . . My goodness,

They're both busy . . . Dancing alone? . . .
What an outdoor party? . . .

Growing Year By Year

Under the leadership of Mr. F. A. Applegate the Harvey High band has advanced rapidly in its work this year. It has participated in many varied events, including the student recitals which were used for the first time this year as a help to members of the band and also as a means of providing students and parents the opportunities to observe the progress made by individuals.

CHAMBERLIN, EVA JOY DUNN
MARY DONALDSON, Queen

Unlike former years, when the Homecoming Queen had been presented at the Thanksgiving Day game, our queen this year appeared before a large crowd at a night game with Geneva. Although the weather was rather damp, the ceremony was made no less gay.

The Homecoming Dance, at which the Queen was crowned with a silver crown was an outstanding social event of the year.

Reign and Shine, Rain or Shine

We Gain Victories . . .

Shooting, booting, and rooting, Harvey's athletic teams have pushed forward through another difficult schedule. In both football and basketball our boys juggled themselves into envious positions. Girls have shown that they have the spirit for athletic competition and the student body has displayed great enthusiasm . . .

First-aid on the spot . . . The bombers take over . . . Razzle-dazzle—rah! team! . . . Spectator session . . . Some Game! . . . Try again . . . And that's the way to hide a football . . . Line up—then limber up.

H A R V E Y

HARVEY 12, ERIE PREP 7

Harvey's 1940 grid openers saw the Raiders put on a spirited last minute drive to down a fighting Erie squad that had pushed the locals all over the field the first half.

ASHTABULA 33, HARVEY 0

Panther power steam rolled over the somewhat bewildered Painesville eleven and made the contest a sadly one-sided affair. However, a trick play, that spoke well for Coach Baughman, enabled the Raiders to make a large gain and was one of the most heartening plays as far as Harvey was concerned.

CONNEAUT 21, HARVEY 13

The score does not indicate how an inspired Raider eleven out-fought a heavier and more experienced Conneaut team. A chance to knot the score was halted by the gun for the half with the Raiders having the ball one yard from pay territory. Most of the credit for Harvey's fine exhibition goes to Joe Townsend who carried the ball most of the time.

FAIRPORT 7, HARVEY 0

A chance to make a successful season out of an apparent flop was muffed as the Harding Skippers came out on the long end of the 7 to 0 score. Outstanding for Harvey in this tilt was the playing of Bob Martin, versatile guard.

HARVEY 0, WILLOUGHBY 0

Although the Rangers were out-played, their line held stubbornly as Raider backs vainly tried to crack through for a tally. A reputedly weak Harvey line also showed its stuff as it held the dangerous Willoughby attack to 70 yards gained via rushing.

BOMBERS

ASHTABULA HARBOR 13, HARVEY 7

Their first league victory was snatched from their possession as the Mariners put on a "Frank Merriwell" drive in the closing minutes of the contest to push over the deciding marker.

FAIRPORT 13, HARVEY 0

The ancient sleeper play spelled defeat for the Raiders in this fray. For in the first half, the Baughmanites out-rushed, out-passed and out-gained their traditional rivals. The instant the Skippers tallied on this sleeper play it seemed to take all the starch out of the Painesville eleven. For the balance of the contest it was Fairport all the way.

HARVEY 60, MADISON 0

Breaking loose with all the fury of a dive-bomber, the team from Thomas W. Harvey High school literally annihilated the Blue Streaks. Townsend led the scoring with four tallies, followed by Swiger with two.

HARVEY 13, GENEVA 6

Seemingly still inspired by the wild Madison affair, the Harvey squad elevated itself from the cellar by drubbing the Eagles in an exciting fray. Outstanding on the offense and the defense for the Raiders was Herman Swiger.

HARVEY 12, WILLOUGHBY 0

Determined that the 1940 season should not end up with a defeat, the Painesville team traveled to Willoughby on Turkey day and downed the Rangers. The Raiders collaborated on running and passing for the scores. The first mark came as Herman Swiger ripped over the goal line and the second on a pass from Salminen to Lillback.

Season Summary 1940

If all opinions are based merely on cold, hard statistics the Harvey Raiders enjoyed a very unsuccessful season, finishing with four victories, one tie and five defeats. However to those who witnessed the Raiders, under their new coach Howard Baughman, moral victories played an important role.

An outstanding example of a moral victory was displayed in the Conneaut game, when the champion Trojans were generally regarded as the team most likely not only to defeat the Painesville team but to literally mop up the field with them. Instead the Harvey attack, featured by some wonderful ball-carrying, threatened to spill the champions. Games like this one were frequent occurrences this season.

A whole-hearted school spirit was displayed throughout the entire year. This is another factor which proved that the 1940 grid schedule was completed successfully. Roy George, athletic director, remarked that there was more student support behind this team than any other football team has had since he came to Harvey.

Basketball Season

(By John Hanni)

Starting one of the toughest cage schedules in Harvey's history against the Parma quintet, the Raiders walked off the floor victorious by a one point margin 29 to 28. Raiders Ray and Russ Wilson turned in stellar performances.

After subduing Parma, the Harvey Bombers journeyed to the home of the Perry Pirates and trimmed them 61 to 19. Lillback and Neal shared scoring honors

Play First League Game

Entering into their first league competition against Ashtabula, the Harveyites dropped a close game to the Panthers after a rally in the last quarter. The final score was 26 to 33.

The Raiders boarded the bus for Conneaut and won 34 to 14.

Taking the road again, this time to Mentor, the Painesville squad dropped a close one, 35 to 33. Neal made 17 tallies.

Following the Mentor contest came the clash with the Canton McKinley Bulldogs. Although Raiders Lillback and Neal played good ball the Georgemen were unable to hit the basket and were defeated 45 to 20.

Raiders Lose To South

Despite the fact that they put on a rally toward the end of the game, the Raiders were dumped again the following week by Cleveland South 23 to 17.

Stepping back into league competition again, the Raiders stopped a last quarter rally and defeated the Willoughby Rangers 35 to 32 with Neal dumping in 18 points to emerge as high man.

Playing Mentor for the second time, the Raiders won 22 to 18. Although Stange started off strong again, he and Bob Evans started to put on a boxing exhibition and were forcibly ejected by the referees.

After leading most of the game, Harvey lost a heart breaker to Fairport here with a score of 31 to 29. Ray Wilson again played a bang-up game for the Georgemen.

Georgemen Stop Harbor

The Raiders defeated the Mariners of Ashtabula Harbor. This tilt featured Herman Swiger as he held Harbor's ace scorer, Tom Francis, to three points.

Returning home, the Raiders barely managed to eke out a 26 to 25 victory over the lowly Geneva Eagles in a hectic battle, with Lillback and Ray Wilson the outstanding Harvey men.

Journeying to Ashtabula the Raiders met the powerful Panthers, and upset all the dopesters by defeating them 32 to 26. Friley and Dowling became heroes overnight.

Full of pep after the Ashtabula game, the Raiders met Conneaut here and walloped them 42 to 17 with Lillback scoring the majority of Harvey's points.

Lose In Last Seconds

Playing host to Willoughby, the Raiders lost an overtime game 31 to 30 when Byron Hunsicker sank a foul shot to give Willoughby the winning marker.

Meeting Fairport at Fairport, the Raiders dropped another league game 44 to 29. When Eugene Lillback was taken out on fouls the Painesville squad seemed to fold up.

Getting back into stride against Ashtabula Harbor here, the Raiders opened up and defeated the Mariners 47 to 27. Herman Swiger and Bob Evans played very good defensive ball while Lillback and Ray Wilson did a majority of the scoring.

A fast-breaking Euclid quintet carried out a successful invasion of Harvey and left with a 43 to 34 victory. Once again Lillback and Neal were high scorers.

Athletic Director

Since Roy George became basketball coach and athletic director at Harvey High school in 1936, the basketball team has won the championship once and in only one year have his teams finished lower than third. This seems to be a very remarkable accomplishment when one takes into consideration the fact that the number of league games the Harvey team had won previous to his coming could be counted on one's fingers.

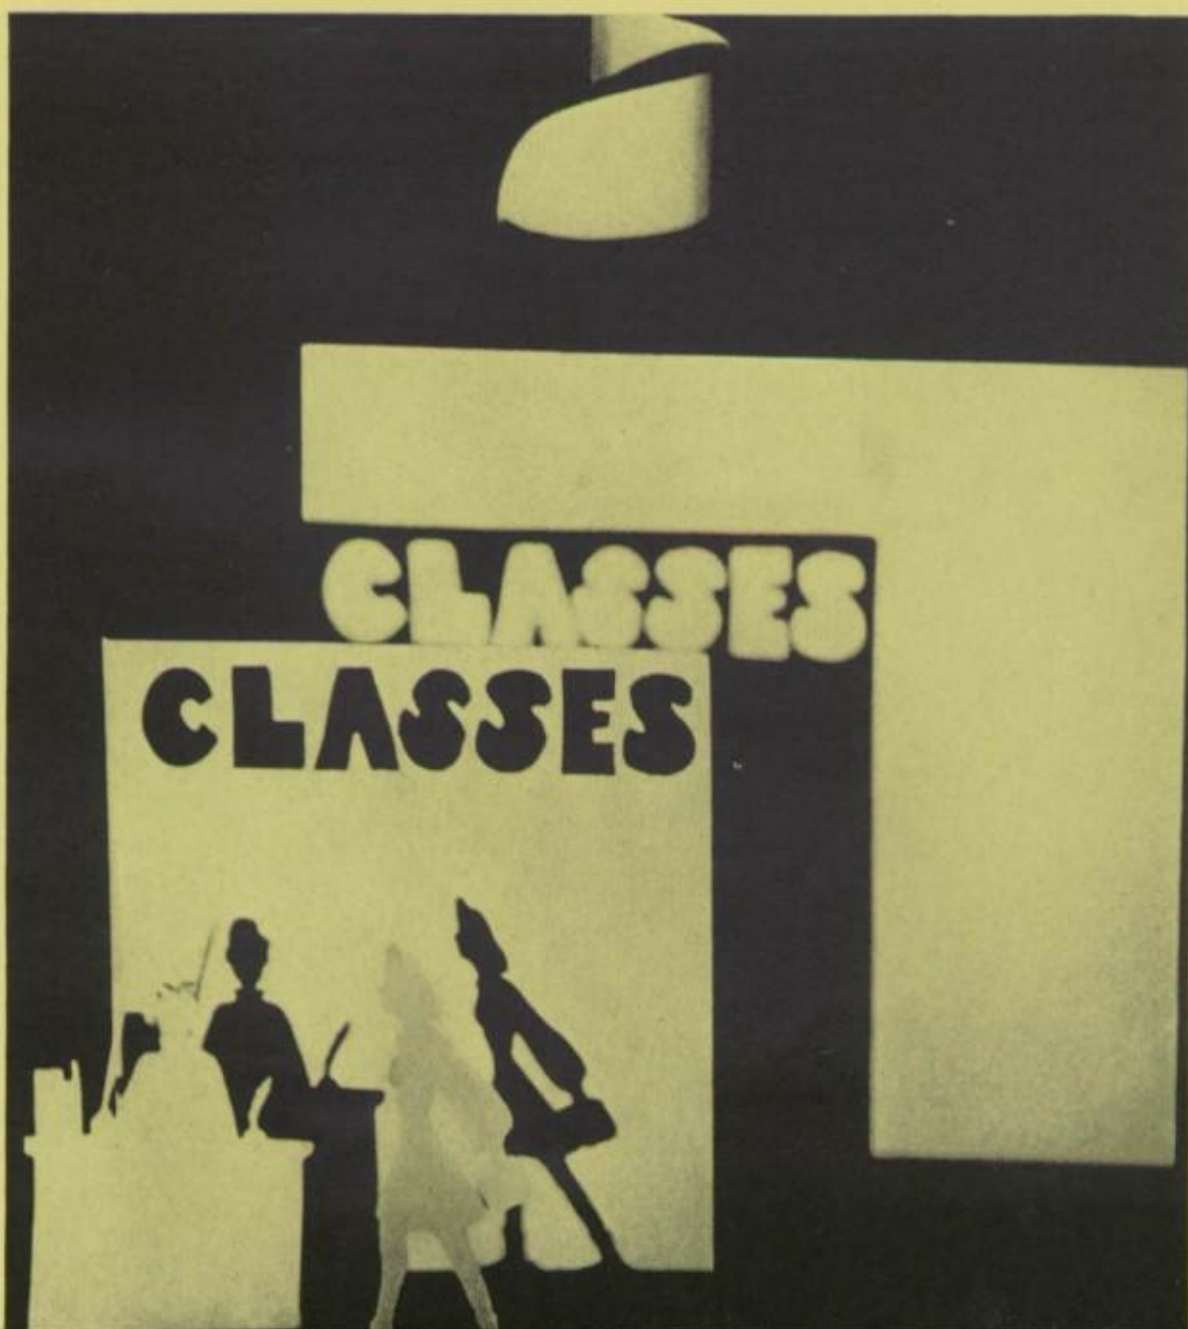

Coach George was born in Bluefield, West Virginia, and later moved to Canton, Ohio. There he went to Canton McKinley High school. At McKinley he played on the Bulldog's football team, was a member of the track squad and held down a guard position on the basketball team which, during his high school cage career, went to the semi-finals of the state tournament in the first year; won the state championship in the second year; and was beaten by one

point in an overtime period in the finals of the third year.

After leaving McKinley, Coach George went to Ohio university, where he played basketball, and also football in his freshman year. He was unable to play varsity football because of a college rule which said that a person couldn't play basketball and football, so he chose basketball.

During the tri-state high school tournament at East Liverpool, he was voted the tournament's most valuable player, and also was chosen all-county and all-district player for two years. His crowning achievement came when he was named as an "all-state" guard.

Since he came to Painesville, Coach George has coached basketball, track, and junior varsity football. He has also played on several independent basketball teams.

Gaining Wisdom . . .

Throughout the year we have all enjoyed the work connected with our school life as much as we have enjoyed participating in other school activities. Our classes and class-rooms are among the foremost things which will remain dear to our memories in years to come.

In Memoriam

We've not forgotten either one,
Perhaps some day we'll know
Why God has taken the finest ones,
As he did not long ago.
Their memories linger in our hearts,
Of laughs, and smiles, and tears,
We'll take them with us to hold and keep;
To cherish through all the years.

Nancy Chamberlin '41

As we come to the end of our high school days we miss more than ever those two boys who were taken from our midst March 22, 1939. In our hearts we not only hold the sorrow of this tragedy, but also happy memories of days when Don and "Red" were with us.

Donald Joughin and William Ferron were both making outstanding records in their sophomore year. Though they have left this earth there will be a place for them in our class graduation.

In Closing Let Us Add ---

As the end of the school year 1940-41 draws to a close, its memories re-etched for us by the scenes depicted in this book, let us pause to consider the situation that now confronts all of us.

Perhaps there has never been a year when American high school graduates have found before them so grim a picture as that presented by the conditions in the world today.

While we prepare these pages for publication, hoping that they will some day recall the happy experiences of our youth, the larger world outside our high school rumbles with the thunder of cannon and everywhere there is cause for concern on the part of those who love peace and liberty.

In far away Europe democracy is being crushed under the heel of a conquerer who has known no equal since the days of Genghis Khan. Our country, already serving as the "arsenal of democracy," may even soon become the last citadel of that great political ideal on the face of the earth.

The challenge is clear. We must accept the battle that is offered. We must determine to defend our democracy by preparing ourselves to take up worthy positions along side our elders in the nation's program. Despite the gloomy prospects that prevail we who are young are willing and we hope, able to overcome the problem that besets our time, and restore freedom, justice and sanity to the world.

Class Prophecy

Construction of the new glass brick Lake County Memorial hospital which was completed April 3, 1961 extends from Washington and Liberty streets to Washington and South St. Clair streets. Architect of this super-structure is none other than Harvey's own Don Bloker. Others who helped make this magnificent institution possible are Allene Barber, Rose Bonelli, and Betty Braid, wealthy patrons of Painesville who donated huge sums of money for its construction. Those in charge of the building were Robert Allen, Charles Baldwin, Edgar Bearfield, and Lester Bernard.

Inside this symphony of stone I met many of my former classmates who I went to school with back in '41. Nurses Nancy Chamberlin, Frances Coddington, Edyth Collier, and Antoinette D'Ascanio were busy bathing patients, giving hypodermics and etc. Nurse Nancy Chamberlin stated that among the patients confined are Anthony Caranci, Mike Cardina, James Couperthwaite, Carroll Davis, and Melvin Evans who were hurt when a boiler blew up in the Evans Boiler Works owned by Robert Evans. The cause of the explosion was that Harold Fleming forgot to turn off the steam.

Then Phyllis Costello, famous supper-club singer is recuperating between engagements at the Elite club owned and operated by Charles Gage, Ray Goodenough, Perry Hayward, and Donald Kidd who each own one-fourth interest in the place. Melvin Gerseny and Eva Joy Dunn, stars in the Broadway play "Cold Storage" written by the promising young playwright Betty Park, gave a charity performance Saturday afternoon for the crippled children. In room 234 the Rev. Leo Kidd is giving his Sunday sermon from his bed because he underwent an appendectomy a few days ago.

Among the interns at the Lake County Memorial hospital are Freeman Hill, Leonard Iovine, Ted Kallay, and Tom Lynch. That handsome doctor, Bernard O'Leary is resident physician in the isolation ward.

What's all the rush and scurry? Ambulance driver, Pat Marotta just brought in Rachel Marinis, executive secretary, who was hit by a hit-skip driver. He was found after many weeks of painstaking investigation by detective John Padula. The man was found guilty and was prosecuted.

Switchboard operator, Marjorie Hayward informed me that Cecil Lant, playboy, was brought in as an emergency case. He cracked up in his new plane which crashed into Dorothy Durchik's new 61 room mansion. Also Shirley Hope occupies room 345. Shirley teaches at Harvey. The strain of teaching has him flat on his back with a nervous breakdown.

Genova Dye, Lucille Elliott and Ola Marie Frush just came into the lobby with an arm full of roses and a good luck horse shoe wreath which they are taking to Betty Martin who has been in the hospital since December with a compound fractured leg. Betty Friedel, illustrator of the fashion magazine "Rags" published by Rita Von Beseler and Mary Jean Scaglione was brought into the hospital after receiving a treatment by masseuses Bonnie Gongwer and Jean Haskins.

Class Prophecy

Bonnie Harris, popular light opera singer who performs twice a day in the "Petite Tasse," tea room operated by Jeanne Kallay and Rachel Kassay, is recuperating in room 716 from influenza.

Some of the faculty members from Harvey who were students in '41 including Wanda Kociszewski, Kathryn Legters, Eleonor Herron, Margaret Mate, Madeline Moritz and Adeline Mucciarone came to visit the present history teacher, Florence Nogrady who is suffering from arthritis in her left arm.

Mary Paul is recovering from a gun wound received when she bravely ignored threats of bank robbers to shoot if she rang the burglar alarm of the Sixth National bank where she is employed.

Because his parachute would not open when he had to bail out of his monoplane, Jere Potter is a visitor at the hotel for sick persons. Anne Prelc, employed by the Wepaynothing Insurance Co. owned by Eino Salminen, came to investigate Jere's condition.

Alice Ramsey, Kathryn Ryan, Charlotte Scaglione, Eleanor Shelby, Betty Shoemaker, junior leaguers of Painesville, are rendering their time and service by helping the hospital staff.

Harvey's football coach Wilho Salminen came in to reserve eleven beds for the players on Fairport's team. Painesville has a practice game with Fairport next week. Joe Skofe, tight rope walker in the (Robert) Stockdale circus plunged fifty feet downward while his partner Evelyn Emith helplessly watched him fall. He landed on the circus pony below and was uninjured but the pony bucked and broke Joe's collar bone.

Robert Smith, famous muralist, is painting the King of Swing, Wallace Taylor's new studio. Smith cheated death when his Packard smashed into Librarian Dorothy Snyder's little coupe. Both are in the hospital. Rose Ann Sopko, stenographer, who was with Miss Snyder was thrown clear.

Five former Harvelettes, Rose Verbic, Lillian Vrbancic, Mildred Wallace, Betty Walters and Marie Wanda each gave a pint of blood to be stored in the blood bank for future use.

Harriet Rossley, June Stockwell, Doris Spear, Miriam Square and Doris Winland, all members of the Croton club, are making a tour of the hospital. If it is up to their expectation they will donate ten dollars to alleviate suffering.

Leaving today after four months is Fire Chief Martti Willberg. Martti was burned severely while saving the lives of six children.

Class Will

In the dusty cobwebbed corners of old Harvey we find the famous lawyer, Mortimer Q. Bimsby about to begin the reading of the long lost will of the class of '41. He clears his throat and now—

WE, the class of '41 being in sound mind and body, take our pens in hands and bequeath all of the cherished possessions to the classes which will come after us. We do this, in all good faith, in the year of our Lord, nineteen hundred and forty-one.
